

## JEFFERSON COUNTY AREA SAFETY NETWORK

*Promoting Workplace Safety in Jefferson County*

[www.jeffersonsafetynetwork.org](http://www.jeffersonsafetynetwork.org)

**PLEASE COME AND JOIN US!**

### READ HOW THE NETWORK CAN BENEFIT YOUR COMPANY:

The [Jefferson County Area Safety Network](http://www.jeffersonsafetynetwork.org) (JCASN) cordially invites you to join us for another round of educational programming designed just for you!

The JCASN is now in its 29th year and the Network's membership and participation at the monthly programs continues to grow, making the JCASN one of the largest and most active Local Chapter Safety Councils in Wisconsin!

The JCASN is a non-profit organization that was organized in 1994 by a group of local business professionals who shared a common interest for learning more about workplace safety and health issues facing their businesses. These individuals felt that Jefferson County workplaces needed a specific venue in which to share ideas, discuss problems, network with one another and learn how to deal with these important workplace safety issues that they faced. Hence the birth of the JCASN to serve as the local venue for the promotion of safety and health education, and to provide a means by which local employers and employees could come together to share common issues and ideas... to network!

Meetings are primarily held on the second Thursday of each month. This year we will be holding **nine (9) meetings from September 8, 2022 to May 11, 2023** (see Program Calendar for dates & times). We are also endorsing some excellent event opportunities through the University of Wisconsin-Whitewater Safety Program & the ASSP Wisconsin Chapter.

Our monthly meeting topics have been selected from ideas suggested by our network. We are dedicated to meeting the needs of our network.

With the ideals of the founding members as our guide, the Board of Directors continues to strive to provide quality workplace safety and health related programs with qualified professional speakers. We also continue to strive to create an environment that promotes networking among our participants for the sharing of ideas, challenges and solutions.

Please complete the 2022-2023 Company Contact Information Update and return to the address at the bottom. Attached please find:

- **2022-2023 - Company Contact Update**
- **2022-2023- JCASN Program Year Schedule**

As a suggestion, use these educational meetings as an inexpensive way to reward safety team members and others within your organization. **Many times, the little things make a BIG difference!** We hope that you will join us and other local safety leaders, as we all work to maintain a high level of workplace safety within the Jefferson County Area.

Sincerely,

JCASN Board of Directors

Meet our Board of Directors and Officers for the 2022-2023:
